

Circular No: 31

Date: 27/04/2021

Subject: Certain amendments have been made regarding Communique on Application Principles of Technology-Driven Industrial Move

The following amendments have been made on Communique on Application Principles of Technology-Driven Industrial Move published on Official Gazette dated April 25, 2021:

- New definitions have been introduced through making regulations in terms of definitions in scope of Technology-Driven Industrial Move Program and “Investment Project” definition has been added.
- Regulations have been made in “General definition of the Program”, “Committee”, “Program management”, “Project Commissions” and “Project stakeholders” titles of the Communique.
- Regulations have been made in "Application", "Project feasibility", "Independent evaluation report", "Evaluation of applications", "Types of support," Ministry supports to be provided to investments under the program ", " TUBITAK supports to be provided under the program "and "KOSGEB supports to be provided under the program” titles of the Communique.
- Regulations have been made in “Monitoring”, “Revision”, “Finalization” and “Completion” titles included under section 5 “Monitoring, Revisions, Finalization and Completion” of the Communique.

The communique has entered into force on its publication date (April 27, 2021).
