(1) Our explanations concerning non-resident corporations are valid for the non-resident corporations which do not own a permanent establishment and a permanent representative in Turkey.

(2) Although no provision exists in the Code concerning the offsetting of capital losses from capital gains, it is stated that such offsetting is possible according to press release, dated January 21, 2003, of the Ministry of Finance and advance ruling, dated February 23, 2012, of Istanbul Tax Office Directorate .

(3) The companies other than those mentioned under article 2/1 of the Corporate Tax Code (capital stock companies; joint stock companies, companies limited by shares and limited companies and investment funds) can be exemplified as cooperatives, economic public institutions, foundations and associations and their economic enterprises and business partnerships.

(4) Limited liability partnerships, country funds, funds owned by administrations and establishments, investment companies and all the other foreign corporate investors, which are operating in Turkey exclusively for deriving capital gains through marketable securities and other capital market instruments and for using the rights related to these, are considered as taxpayers in similar nature with investment funds and investment trusts established according to the Capital Markets Code (Income Tax General Communiqué series no 277).

(5) Interest amounts derived from bonds issued abroad by resident corporations and income derived from lease certificates issued abroad by resident asset leasing companies are subject to withholding at following rates: (Presidential Decision no.842, effective from 21 March 2019)

- Interest and income derived from those with maturity term up to 1 year, 7%,
- Interest and income derived from those with maturity term between 1-3 years, 3%,
- Interest and income derived from those with maturity term of 3 years and over, 0%,
