Austria/Turkey: New tax treaty signed

On March 28, 2008, the governments of Austria and Turkey signed an income tax treaty ("treaty"). The treaty will enter into force after each country completes the domestic law procedures for ratification. Once effective, the new treaty will replace the existing treaty signed on November 3, 1970

Currently, an English version of the treaty is not available. Once we obtain a copy of the treaty, we will issue a follow-up *Global Withholding Tax Reporter (GWTR)* Tax Alert.
