Switzerland/Turkey: New tax treaty signed

On May 22, 2008, the governments of Switzerland and Turkey signed an income tax treaty ("treaty"). The treaty will enter into force after each country completes the domestic law procedures for ratification. This is the first income tax treaty concluded between the two countries.

Currently, an English version of the treaty is not available. Once we obtain a copy of the treaty, we will issue a follow-up *Global Withholding Tax Reporter (GWTR)* Tax Alert.
